

Avery Yackel, [B.A.Sc.](#), R.TCM.P.

has been both a professional colleague and a friend of Kasia's for over 5 years. Some of you may already know him as he has occasionally helped out at the clinic.

As a Registered Acupuncturist & Herbalist, he practices Toyohari acupuncture, a gentle and refined system of Japanese meridian therapy, along with Shiatsu massage and is dedicated to creating vitality, health, and balance in the lives of his patients.

Besides his dedication to acupuncture, he also trains regularly in several Japanese martial art traditions including Hakko Denshin Ryu JuJutsu and its related healing art of KoKoDo Shiatsu Igaku.
